

ATTENTION FLORIDA CUP COMPETITORS!

The updated Florida Cup points have been posted.

The Florida cup rules state:

6. Minimum Participation: To be eligible for a year end award, a driver must have participated in at least 3 of the 6 designated Florida Cup events in the same class with **at least one of the 3 being a Central Florida Region event and at least one of the 3 being a Florida Region event.** Participation is defined as having turned a wheel in an official session and entry not withdrawn (i.e. driver may appear as DNS in race results).

Looking at the points, you will notice that many competitors have participated in the Central Florida Region events but missed the May event at P.B.I.R. Now is your chance to participate in the last two events in Florida Region. The September race at Homestead is ready for your entry on www.dlbracing.com. And the double points finale will be held at P.B.I.R. on November 13.
